#### **MAIL**

Mail is Region specific at this time according to the following:

##### **NVRO**

All new permit related correspondence should go to the WCM in NRO and will be acknowledged and assigned by the WCM. The permit application w/acknowledgement letter will be sent to available permit writer after coordination with that region. WCM will get copied on all permit reviews and receive final approval documents for signature.

##### **SCRO**

All new permit related correspondence should go to Becky Dietrich-permit writer in WCRO with a copy sent to the WCM for SCRO. WCM will get copied on all permit reviews and receive final approval documents for signature.

**TRO**

All new permit related correspondence should go to Don Brunson-permit writer in CO with a copy sent to the WCM for TRO. WCM will get copied on all permit reviews and receive final approval documents for signature.

**VRO**

All new permit related correspondence should go to Joe Levine-permit writer in SWRO with a copy sent to the WCM for VRO. WCM will get copied on all permit reviews and receive final approval documents for signature.

**PRO, WCRO, SWRO**

All correspondence should go to the WCMs of the region (in SWRO case to Deputy Director). He will then route them to the permit writer. WCM receive final approval documents for signature.

**PERMIT FEES**

When an application is submitted for either a new permit or a permit amendment, the permit application fees must be sent to directly by the applicant to Central Office at the following address:

Department of Environmental Quality  
Attn: Judy Newcomb  
PO Box 10150  
Richmond, VA 23240

A cover letter should accompany the fee and a copy of the letter and copy of the check should go to the permit writer for that region (together with the complete application submittal). The cover letter should contain the following information:

Facility name  
Owner name  
Permit number  
Type of permit action
